Dear Khun Pitchapa,

Thank you for the two concept notes from Thailand, which is well noted. We will facilitate the save-the-date email and approval by AHC2CCs to the concept notes as requested.

Before the circulation, there is a recommended revision in the section for participants as shown below in yellow highlights:

**Target participants**

The training course will consist of 30 participants from the **ASEAN Member States (AMS) [i.e. 2 participants only per AMS]**. They are as follows, among others: Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, the Philippines, Singapore, Thailand, **Timor-Leste**, and Viet Nam. **Representatives from Timor-Leste are also invited (2 participants only).**

Kindly seek your concurrence on this and once concurred may we ask of the word version to make the necessary revision?

Thank you,  
Randy
